COURSES TAUGHT at MASON:

- SOCW 600 Foundations of Social Work and Social Welfare (asynchronous online) Introduces issues in social welfare by highlighting the social work profession's commitment to serve diverse and at-risk populations, as well as promote social, economic, and environmental justice.
- SOCW 623 Human Behavior and Social Systems (asynchronous online) Introduces ecological approach to behavior of individuals, families, groups, organizations, and communities.
- SOCW 660 Foundations of Direct Practice (asynchronous online) Introduces the role of social workers as change agents and the core knowledge, values, and skills that guide social work practice with individuals, groups, and families.
- SOCW 674 Psychopathology (asynchronous online) Presents overview of adult and child psychopathology within the contexts of the lives of people experiencing mental disorders and the social contexts that can have a bearing on symptom maintenance.
- SOCW 630 Clinical Social Work in Forensic Settings (asynchronous online) Exploration of clinical social work roles in legal processes including child and family courts, juvenile and adult justice, competency and capacity processes.
- SOCW 683 Clinical Practice with Children, Youth, and Families (asynchronous online, on campus) Applies evidence-based prevention, assessment, interventions, and treatment practice to address the needs of children, youth, young adults, parents, and caregivers.
- SOCW 688 Program Evaluation for Social Workers (asynchronous online) Explores social work intervention research, needs assessment, formative and summative program evaluation, and cost analyses.
- SOCW 661 Social Work Practice in Schools (asynchronous online) This course presents best practices for social work practitioners working in the school setting, understanding educational policy and special education, and addressing mental health and concerns of students in the school culture, such as bullying and drug/violence prevention.
- SOCW 654 Social Policy for Children and Youth (asynchronous online) Examines social policies, programs, and services on behalf of children and youth with implications for social work including child welfare, child and adolescent mental health, juvenile justice, and school social work. Explores how societal norms regarding family and definitions of children's well-being influenced these policies over time.

COURSE DEVELOPMENT at MASON:

- SOCW 683 Clinical Practice with Children, Youth, and Families course development for online program: developed the course for the online program ensuring continuity with the on-campus course. Worked with learning designer from Wiley to design the course to be inclusive of learning styles of all students.
- SOCW 688 Program Evaluation for Social Workers course development for online program: developed the course for the online program ensuring continuity with the on-campus course. Worked with learning designer from Wiley to design the course to be inclusive of learning styles of all students.
- SOCW 654 Social Policy for Children and Youth course development for online program: developed the course for the online program ensuring continuity with the on-campus course. Worked with learning designer from Wiley to design the course to be inclusive of learning styles of all students.
- SOCW 661 Social Work Practice in Schools course development for the online program: this is a new course for the social work department and will be used to develop a certification in school social work. Worked with learning designer from Wiley to design the course to be inclusive of the learning styles of all students.
- As the MSW Online Program Director, I have been involved in the three-year revision/refresh process for all courses in the online program. Student feedback was reviewed and incorporated in the revision/refresh process to improve the functionality and presentation of the courses. With this process, a set standard was set for all courses in the online program to meet the needs of students and to be inclusive of all learning styles.

STUDENT ADVISING/MENTORING:

- Lila Elliott, MSW Graduate 2023
- Mariah Stevenson, GTA, Current MSW Student
- As the MSW Online Program Director, I have served as an advisor for all students in the program. With the addition of two full-time faculty hired this academic year, the advising duties are shared equally among the three of us.
